## **Where to Stay – Hotel Information**

### **Advice 1 (Recommended Area)**

We recommend staying close to the city centre, near **Largo da Portagem**, by the Santa Clara Bridge and Parque Verde (Green Park).

From this area, you will:

- Be within walking distance of Coimbra's main attractions
- Enjoy beautiful views of the river and surrounding park
- Be approximately a 12-minute walk uphill to the University of Coimbra (Polo I), where the 6G-PHYSEC / Mi-Future meetings will take place

This area offers a wide selection of hotels, guest houses, and Airbnb apartments on both sides of the river, as well as many good restaurants.

**Tip:** Search on Booking.com for hotels near “Largo da Portagem, Coimbra.”

## Advice 2 (Near the Venue)

Alternatively, you may choose to stay close to the University of Coimbra (Polo I), located at the top of the hill.

- Fewer hotels are available in this area
- However, there is a good selection of excellent guest houses
- Ideal if you prefer to stay next to the meeting venue

**Tip:** Search on Booking.com for hotels near “University of Coimbra, Coimbra.”

Hotel Not Recommended: Hotel D. Luís – Although very good requires a car or Uber to reach the city centre

---

**Typical hotel prices:** €50–€100 per night (average 65€)

## What to Visit

**Coimbra** is a beautiful and historic city, ideal for a 1–2 day visit.

Its main highlight is the [University of Coimbra](#) (a **UNESCO World Heritage Site**), together with the historic monuments that cascade down the hill toward the city centre. Walking through this area offers a unique blend of history, architecture, and vibrant academic life. Reserve 2h for your visit to the University and then walk downtown.

For visitors travelling with children, **Portugal dos Pequenitos** is a popular and enjoyable attraction, showcasing miniature versions of Portuguese monuments and landmarks.
